**Width:**

9.620 inches

**Thickness:**

0.250 inches

**Length:**

50.020 inches

**End Application:**

Aircraft, b-2 bomber (atb)

**Product Name:**

Bracket

**Special Features:**

Abs plastic per astm-d4673-98 fire resistant color red to be a close match to fed-std-595, color 11302; use abs cement to bond all abs parts

**Color:**

Red both sides

**Material:**

Plastic, acrylonitrile-butadiene-styrene

**Material:**

Plastic acrylonitrile-butadiene-styrene (abs)

**Specification Data:**

81346-astm-d4673-98 professional/industrial association standard

**Specification Or Standard:**

00302 color

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A26800
