Width:

12.000 inches

Thickness:

0.020 inches

Length:

22.660 inches

End Application:

SUPP-OR-TEQ-UIPM

Product Name:

Fwd mount pad

Special Features:

Material is nylon 6/6; pad has a 2.25hx3.50w cutout at center of bottom edge and is formed into an arc - 35 degrees of of a circle withradius of 37.10 inches

Color:

White both sides

Material:

Nylon

Material:

Plastic polyamide

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
