Width:

10.000 inches

Thickness:

0.055 inches

Length:

28.000 inches

End Application:

Fan, velute

Product Name:

Template, lift fan blade coating

Special Features:

Furnished with pressure sensitive adhesive (psa) on one side; psa not included in thickness; sheet is cut to exact size of fan blade - see drawing for details; -01 is for one side and -02 for opposite side

Material:

Cloth, backing and plastic, polyurethane

Material:

Plastic polyurethane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
