End Application:

Trainer aircraft, ejection seat

Material:

Plastic, polytetrafluoroethylene, mil-p-22241, type 2, grade b

Material:

Plastic polytetrafluoroethylene

Material Specification:

Mil-p-22241, type 2, grade b military specification 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800

Mil-std (military Standard):

Mil-p-22241 spec.
