Width:

21.810 inches

Thickness:

0.040 inches

Length:

31.630 inches

End Application:

C-130 acft

Removable Backing Surface Condition:

Plain

Removable Backing Type:

Plastic

Product Name:

Multi-layer protective film for glass 1004

Special Features:

May be installed either: wet method (preferred) or dry method

Color:

Clear

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T258-a
