Overall Length:

75.000 inches

Overall Width:

54.000 inches

Product Name:

Foam, sound absorbing, adhesive backed

Material:

Acoustical polyester polyurethane foam

Surface Treatment:

Protective surface finish, one side, with 2 military black polyurethane film for water and abrasion resistance, other side 3 military acrylic pressure sensitive adhesive for easy installation

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
