End Application:

1440-01-444-4239

Special Features:

Xlength 60 ft x width 54 ft; fine cell, low compression-set, high density polyurethane foams, offering unique combinations of design features for difficult mechanical energy control problems. Chemical resistance and flame resistance

Material:

Plastic, polyurethane

Material:

Plastic polyurethane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T258-d
