Inside Diameter:

28.0 millimeters

Length:

400.000 millimeters

End Application:

2420-01-532-3399

Color Coding/special Markings:

Included

Product Name:

Guard-hose

Special Features:

Nylon 6 inches heat stabilized maximum temp 174 degrees celsius (345 degrees fahrenheit)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T258-f
