Inside Diameter:

19.0 millimeters

Length:

450.000 millimeters

End Application:

2420-01-153-2339

Color Coding/special Markings:

Included

Product Name:

Guard hose

Special Features:

Split polypropelene maximum temperature 80 degrees celsius 176 degrees ferenheit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T258-f
