Width:

24.000 inches

Thickness:

0.188 inches

Length:

24.000 inches

Environmental Protection:

Chemical resistant and moisture resistant

End Application:

6115-01-591-1161 generator, heating and air conditioner

Removable Backing Type:

Rubber

Product Name:

Tear and chemical resistant polyethylene foam

Special Features:

No cage code for suggested oem pres on corporation; 2600 e. 107th street; bolingbrook, il; 1-800-323-7467

Color:

Black

Material:

Plastic polyethylene and rubber

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T258-a
