Laminated Glass - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/9340-01-346-8234

Material Transparency:
Clear
Criticality Code Justification:
Feat
Special Features:
Electrically heated, one 1/4 in. Tempered clear glass with conductive coateing, 0.080 in. Vinyl filler, one 1/4 in. Tempered glass,
33x26.656x35.719x26.500, Ih trap
Material:
Glass laminate
Material Specification:
Mil-g-8602 military specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A15000
Mil-std (military Standard):
Mil-g-8602 spec.
