Overall Length:

0.830 inches

Overall Width:

0.450 inches

Overall Thickness:

0.186 inches

Material Transparency:

Clear

Edge Type:

Flat finish

Criticality Code Justification:

Feat

Special Features:

Operational critical item per general dynamics specification 40a08960-66 and hardness critical items per general dynamics specification 40a08958-60

Material:

Quartz

Material Specification:

Mil-q-47057, type 1 military specification single material response

Style Designator:

Oval

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A15000

Mil-std (military Standard):

Mil-q-47057 spec.
