Overall Length:

1.380 inches

Overall Width:

0.530 inches

Overall Thickness:

0.031 inches

End Application:

Nsn: 1680-01-304-2126, controlpanel; next higher assembly; nsn: 6220-01-304-0854, light assembly, indicator

Material Transparency:

Clear

Special Features:

Schott glass; nueltral density gray no. Ng-4; anti-reflection coated both sides per mil-c-14806

Material:

Glass

Style Designator:

Square corners

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A15000
