Nonmetallic Hardness Rating:

Not rated

Min. Tensile Strength (psi):

Not rated

Temperature Rating:

Not rated

Diameter:

1.750 inches

Length:

36.000 inches

Environmental Protection:

Not rated

Special Features:

Black; ground finish

Material:

Plastic, astmd709, type i, grade xx

Material:

Plastic, astmd709, type i, grade xx

Specification Data:

81346-astmd709 professional/industrial association standard

Specification Or Standard:

I type and xx grade

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A14500
