Diameter:

1.000 inches

Length:

36.000 inches

Environmental Protection:

Not rated

Special Features:

Natural w or w/o fillers

Material:

Plastic, polyamide, monomer cast, I-p-410

Material:

Plastic polyamide

Material Specification:

L-p-410 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A14500
