Min. Tensile Strength (psi):

1000 pounds per square inch

Temperature Rating:

-85.0 degrees fahrenheit and 500.0 degrees fahrenheit

Environmental Protection:

Water resistant or weather resistant

Special Features:

Matt: rubber, synthetic, mil-r-6855

Special Markings:

36659 Is3009-3

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A547d0
