Min. Tensile Strength (psi):

250 pounds per square inch

Binder Material:

Resin

Special Features:

External insulation, rocket motorcases and missile frames

Material:

Cork, granulated

Material:

Cork

Specification Data:

58339-spc-34238b manufacturers specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
