End Application:

Helicopter hh-60h, sh-60b, sh-60f

Width:

2.000 inches

Luminescence Type:

Photoluminescent

Product Name:

(inavy)flexible adhesive backed luminescent tape 3"x.75"

Special Features:

Comes in various lengths, customer must specify

Reference Number Differentiating Characteristics:

Feat

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A14300
