**Width:**

0.750 inches

**Thickness:**

0.125 inches

**Length:**

50.0 feet

**Coating Material:**

Adhesive, pressure sensitive

**Coating Material Location:**

One side

**End Application:**

NSN5-86-501-5375

**Product Name:**

Noeprene and cork strip gasket 0.125 thk

**Special Features:**

Temp rng of cork -22 to 248f, rng of adhesive 0 to 200f

**Material:**

Cork, granulated and rubber, neoprene

**Material:**

Cork and rubber chloroprene class cr

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A26800
