Width:

0.750 inches

Thickness:

0.125 inches

Length:

50.0 feet

Coating Material:

Adhesive, pressure sensitive

Coating Material Location:

One side

End Application:

NSN5-86-501-5375

Product Name:

Noeprene and cork strip gasket 0.125 thk

Special Features:

Temp rng of cork -22 to 248f, rng of adhesive 0 to 200f

Material:

Cork, granulated and rubber, neoprene

Material:

Cork and rubber chloroprene class cr

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A26800
