Length:

Between 10.000 feet and 12.000 feet

Cross Section Outside Diameter:

0.250 inches

End Application:

C-5b aircraft

Basic Shape Style:

Round

Heat Treatment:

Solution treated

Material:

Steel, ams 5643

Material:

Steel comp 630

Material Specification:

Ams 5643 assn standard single material response

Surface Condition:

Centerless ground

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A13100
