**Length:**

Between 10.000 feet and 12.000 feet

**Cross Section Outside Diameter:**

0.250 inches

**End Application:**

C-5b aircraft

**Basic Shape Style:**

Round

**Heat Treatment:**

Solution treated

**Material:**

Steel, ams 5643

**Material:**

Steel comp 630

**Material Specification:**

Ams 5643 assn standard single material response

**Surface Condition:**

Centerless ground

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A13100
