Fabrication Method:

Cold finish

Cross Section Outside Diameter:

2.187 inches

Basic Shape Style:

Round

Material:

Steel, qq-s-634, comp 1042-canceled

Material:

Steel comp 1042

Material Specification:

Qq-s-634, comp 1042-canceled federal specification 1st material response

Specification Or Standard:

Cf condition and round form and 2 3/16 in. Size

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A13100
