#### Fabrication Method:

Cold finish

**Cross Section Outside Diameter:** 

2.187 inches

### Basic Shape Style:

Round

#### Material:

Steel, qq-s-634, comp 1042-canceled

Material:

Steel comp 1042

Material Specification:

Qq-s-634, comp 1042-canceled federal specification 1st material response

#### **Specification Or Standard:**

Cf condition and round form and 2 3/16 in. Size

#### Shelf Life:

N/a

#### Unit Of Measure:

--

## Demilitarization:

No

# Fiig:

A13100
