**Length:**

Between 10.000 feet and 12.000 feet

**Cross Section Outside Diameter:**

1.250 inches

**Basic Shape Style:**

Round

**Criticality Code Justification:**

Zzzy

**Material:**

Steel, astm a108, alloy 1018

**Material:**

Steel, astm a108, alloy 1018

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A13100
