Fabrication Method:

Forged

Length:

24.000 inches

Cross-sectional Thickness:

9.0000 inches

Cross-sectional Width:

10.000 inches

Basic Shape Style:

Flat

Heat Treatment:

Annealed

Material:

Steel, ams 6525, uns k91283

Material:

Steel, ams 6525, uns k91283

Specification Or Standard:

Forged and annealed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A13100
