Fabrication Method:

Cold drawn

Width:

27.250 inches

Length:

4.448 feet

Basic Shape Style:

Solid

Material:

Steel, qq-s-698, comp 1010

Material:

Steel comp 1010

Material Specification:

Qq-s-698, comp 1010 federal specification 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A13100
