Criticality Code Justification:

Zzzy

Special Features:

Plate thickness: 0.687 inch, hss mil-s-22698, gr dh-36, cl u, 4 foot square

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A13100
