**End Application:**

Land systems

**Usage Design:**

Structural

**Product Name:**

Two lane transom bridge

**Special Features:**

102.0mm wide; 83.0mm high

**Material:**

Steel

**Material:**

Steel

**Surface Treatment:**

Zinc

**Surface Treatment:**

Galvanized

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A13100
