Fabrication Method:

Cold drawn

End Application:

Aircraft jet fuselage

Heat Treatment:

Annealed

Material:

Copper alloy, astm b150, alloy 632

Material:

Copper alloy, astm b150, alloy 632

Specification Or Standard:

Alloy 632

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A13100
