**Fabrication Method:**

Cold finish

**Length:**

6.000 feet

**Cross-sectional Thickness:**

0.188 inches

**Cross-sectional Width:**

1.000 inches

**Basic Shape Style:**

Flat

**Product Name:**

Cold finished flat bar

**Material:**

Steel, astm a108, grade 1018

**Material:**

Steel comp 1018

**Material Specification:**

Astm a108, grade 1018 assn standard 1st material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A13100
