Fabrication Method:

Cold finish and rolled

Length:

3.500 inches

Cross-sectional Width:

0.250 inches

Basic Shape Style:

Flat

Edge Type:

Square

Product Name:

Bar, metal, flat

Material:

Steel comp 1018

Material Specification:

Astm a108, grade 1018 assn standard 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A13100
