Width:

12.000 inches

Cross-sectional Thickness:

0.0250 inches

Basic Shape Style:

Solid

Edge Type:

Sheared

Weight Per Unit Measure:

1.125 pounds per linear foot

Min. Tensile Strength (psi):

Not rated

Minimum Yield Strength:

Not rated

Heat Treatment:

Half hard

Material:

Brass 687-911-88263

Material:

Brass 687-911-88263

Surface Condition:

Satin

Surface Treatment:

Nickel

Surface Treatment:

Nickel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A13100
