Criticality Code Justification:

Zzzy

Special Features:

Item is 5.500in. By 1.500in. Sheet. 0.0226in. Thick., required for fabrication of four gaskets, 1.188in. O.D. By 1.015in. I.D.

Material:

Copper

Material:

Copper

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A13100
