Criticality Code Justification:
Zzzy
Special Features:
Item is 5.500in. By 1.500in. Sheet. 0.0226in. Thick., required for fabrcation of four gaskets, 1.188in. O.D. By 1.015in. I.D.
Material:
Copper
Material:
Copper
Reference Number Differentiating Characteristics:
Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
A13100
