**Criticality Code Justification:**

Zzzy

**Special Features:**

Item is 5.500in. By 1.500in. Sheet. 0.0226in. Thick., required for fabrication of four gaskets, 1.188in. O.D. By 1.015in. I.D.

**Material:**

Copper

**Material:**

Copper

**Reference Number Differentiating Characteristics:**

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A13100
