Fabrication Method:

Hot rolled or cold rolled

Width:

254.0 millimeters

Length:

425.0 millimeters

End Application:

Niin 015574546 truck, materials handling-container hoist m1148a1p2

Usage Design:

Structural

Edge Type:

Rolled

Product Name:

Plate, metal floor lower

Material:

Steel

Supplementary Features:

Next assembly part no. 12509862 and part no. 12486136

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A13100
