Fabrication Method:

Extruded

Length:

2.520 inches

End Application:

B1-b

Product Name:

Extruded shape channel section

Special Features:

Shipped in 10 foot sections

Heat Treatment:

T-8511 solution heat treated

Material:

Aluminum alloy 2024

Material:

Aluminum alloy 2024

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A13100
