Fabrication Method:

Cast

End Application:

5895-01-592-8791

Product Name:

Casting, rack aluminum,

Special Features:

Item shall be marked, bagged or tagged in accordance with mil-std-130

Heat Treatment:

T-6 solution heat treated

Material:

Aluminum alloy 356.0

Surface Treatment:

Chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A13100
