Special Features:

Silver mil-s-13282 grade a form strip temper hard; 0.122 in.Min and 0.128 in.Max w o/a 0.0096 in.Min and 0.0104 in.Max thk o/a; 25.0 ft nominal coil; used for all types of electrical contacts where mechanical hardness is required w/high thermal and elec conductivity; reference data & literature: mil-s-13282 grade a strip hard

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A13100
