Length:

Between 10.000 feet and 12.000 feet

Cross Section Outside Diameter:

7.000 inches

Basic Shape Style:

Round

Material:

Chromium-molybdenum alloy, dod-f-24669/2

Specification Data:

81349-dod-f-24669/2 government specification

Specification Or Standard:

As condition and f-22 composition

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A13100
