Width:

0.820 inches

Thickness:

0.012 inches

Length:

3.660 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular w/slit tab

Marking Designation:

Legend single side

Inscription:

Valve, hyd., 3way-2pos, solenoid operated 3000 psi continuous duty sol.Amp at 28 volts dc part no specification no order no single side

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/1, alloy 1100 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
