Width:

0.781 inches

Thickness:

0.025 inches

Length:

1.187 inches

Attachment Method:

Hole

Environmental Protection:

Corrosion resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend single side

Inscription:

Partial legend single parking brake valve-hydraulic spec. No.S1525-61035 --- part no.9004 --- serial no. --- tactair r fluid controls single side

Color:

Natural inscription

Material:

Aluminum alloy

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
