Width:

1.312 inches

Thickness:

0.025 inches

Length:

2.500 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Quadrant, fire control m15 serial no. --- --- 19200-8247683 --- --- --- us 1st side

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2, alloy 3003 federal specification single material response

Surface Treatment:

Anodize

Fsc Application Data:

Quadrant, fire control m15

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
