Width:

10.500 inches

Thickness:

0.020 inches

Length:

13.700 inches

Attachment Method:

Adhesive

Basic Shape Style:

Rectangular

Marking Designation:

Design 1st side

Inscription:

Schematic wiring diagram, model gtge70-6 generator set 1st side

Features Provided:

Pressure sensitive adhesive tape

Color:

Black inscription background

Material:

Aluminum alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
