Overall Length:

7.800 inches

Thickness:

0.020 inches

Body Length:

1.590 inches

Body Width:

0.620 inches

Inscription:

Stock, part, series, serial, patent, order

Features Provided:

Legend

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/2, alloy 3003, h14 federal specification single material response

Surface Treatment:

Anodize

Style Designator:

Slot and tongue

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A529t0
