Width:

1.740 inches

Thickness:

0.032 inches

Length:

2.250 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

National security agency, tsec/st-20, no.--- 1st side

Color:

Black inscription background

Material:

Aluminum alloy

Material Specification:

Qq-a-250/11, alloy 6061, t6 federal specification single material response

Surface Treatment:

Enamel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
