Width:

1.625 inches

Thickness:

0.062 inches

Length:

2.750 inches

Environmental Protection:

Corrosion resistant

Basic Shape Style:

Rectangular

Marking Designation:

Legend

Inscription:

Close automatic closed

Features Provided:

Reflective surface

Color:

Brass inscription

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
