Width:

0.906 inches

Thickness:

0.020 inches

Length:

2.062 inches

Attachment Method:

Hole

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legend, axial flow blower, pesco products division, borg-warnercorp, bedford, ohio, model no./-----/, volts/-----/ 1st side

Color:

Natural inscription

Material:

Aluminum alloy

Material Specification:

Qq-a-561, cond h14-cancelled federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A528w0
