Width:

2.000 inches

Thickness:

0.031 inches

Length:

4.000 inches

Attachment Method:

Cemented

Basic Shape Style:

Rectangular

Marking Designation:

Legend 1st side

Inscription:

Partial legend u.S. Processing machine, oscillogram part no. 179700 model no. 23-110-2 serial no./-----/ fed. Stock no. 6740-994-9272 1st side

Color:

Natural inscription background

Material:

Aluminum alloy

Surface Treatment:

Plastic

Fsc Application Data:

Processing machine, oscillogram

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A528w0
